Premium natural stone design

Genuine soapstone, each radiator is a unique and modern design element.

Almost silent operation

Dense stone structure ensures quiet, peaceful heating.

Natural, soft, and comfortable heat

Stone stores heat and releases it slowly for soft, even warmth.

Even surface temperature

Uniform heat across the surface enhances comfort and safety.

Smart thermostat

Ensto thermostat with easy mobile app control via Bluetooth.

Advanced app features

Remote adjustments, scheduling, and precise temperature control.

Energy-efficient heating

Optimized power use for selected room size.

Flexible installation

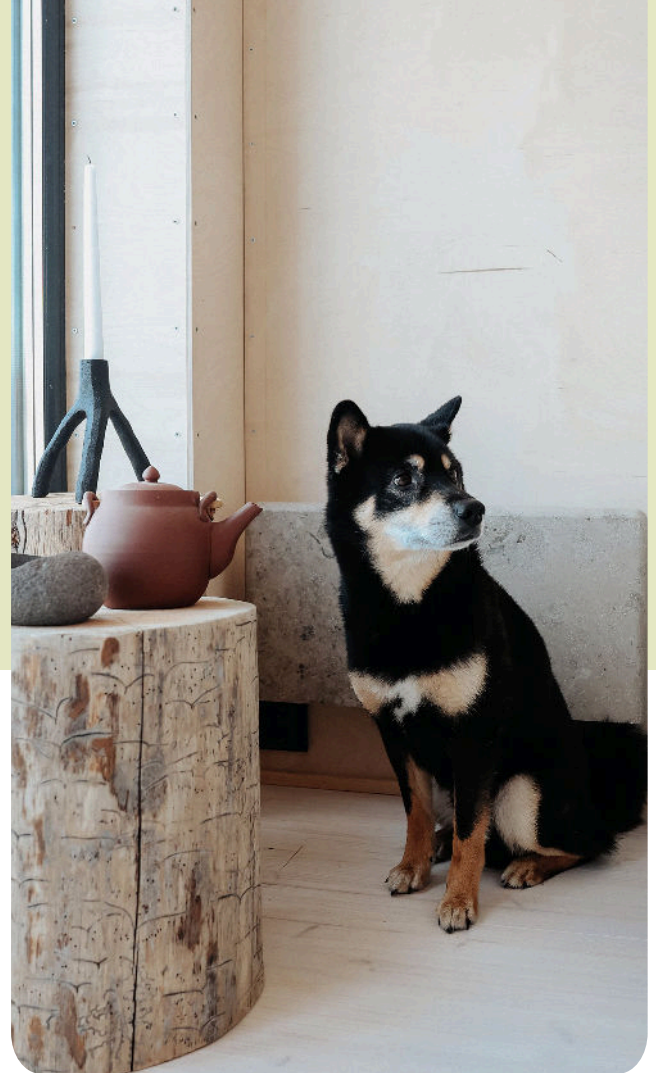

Wall-mounted or plug-in version with optional feet.

Beautiful stone finish

Smooth and polished matte surface with each piece being unique.

Safe and reliable quality

230 V / 50 Hz, IP21 rating, cool surface, and long-lasting durability.
